IS THIS YOUR UNPROTECTED
MAIL BOX? ... IS THAT YOUR
UNGUARDED ALLOTMENT CHECK?

The Government mails millions of
Army and Navy allotment and allow-
ance checks to families of American
soldiers and sailors.

Thousands of these checks are stolen
and forged every year.

Every unlocked mail box or open mail
receptacle is an invitation to the check
thief. Put a Strong Lock on Your Mail Box.
A lock may prevent a loss.

The check thief watches for your
check to be delivered. Do You? Be at
